Dear Chris Delaney:

The "Homecoming" welcome for LCP Daniel Concannon was truly an event that will hold a special place in our hearts.

The escort for LCP Daniel Concannon to his Lindenhurst home was highlighted with flashing lights, blaring siring and roaring motorcycles alerting residents of the community that something out of the ordinary was happening. Upon reaching his home LCP Daniel Concannon was surprised to see a large crowd with his immediate family, friends and neighbors all eagerly waiting to welcome him home. The introductions and opening statement, beginning with the pledge to our flag was outstanding and genuinely captured the hearts of all.

On behalf of LCP Daniel Concannon, his family and myself I want to take this opportunity to thank you for your prompt response, attention and special efforts on Tuesday, January 8th, 2013. This was truly a meaningful "Homecoming" and we sincerely "Thank You".

Very truly yours,

John J. Maes,
NLFD - President
